

Miss E Hardman - Assistant Headteacher

Having worked at the Weald of Kent since 2004, I have enjoyed a range of leadership roles both within the MFL department (Primary and Secondary Outreach Coordinator; ICT in MFL Coordinator; Deputy Head MFL) and across the school (Teacher Governor; Head of Years 7-11 sequentially). As Assistant Head Teacher I have developed behaviour management systems, driven collaborative improvements in our internal and public Examinations systems and oversee our provision for the wider personal development of our students. As a qualified Personal Performance Life Coach, I seek opportunities to integrate these skills when working with staff and within the classroom.
