

10 June 2021

Dear parents and carers,

Year 10 GCSE Trampolining Extra-curricular Club Update

I have been amazed with how motivated the students have been with the GCSE Trampolining extra-curricular sessions and they are beginning to make great progress.

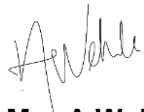

Now that the current Year 11 and Year 13 students have left, there is the opportunity to provide two further sessions during Week 1 for Sevenoaks students. These sessions will commence from Monday 14th June.

Monday Week 1: Before school 7:30am – 8:30am (this is an optional session)
 Lunchtime 12:45pm – 1:15pm (this is a compulsory session)

As soon as your child has completed all of the relevant elements of the specification they will not need to attend any further sessions.

If you have any queries regarding the trampolining extra-curricular club, please get in touch with me at awehrle@wealdgs.org.

Yours sincerely,

Mrs A Wehrle
Teacher of PE
