

5 November 2021

Dear parents and carers,

Sport England Survey

Weald, working in partnership with Sport England, would like to find out about the sports and physical activities our students participate in, both in and out of school. The information collected will be used to:

- create a report to help us understand what sports activities our students participate in and what we can do to support them
- help Sport England identify investment opportunities for children and young people to take part in and benefit from sport and physical activity
- allow the school to access extra funding for staff training to allow us to increase the range of physical activities on offer to students.

Your child has been selected to take part in this online survey, which should take about 20 minutes.

Surveys will be completed during form time on the following days:

Sevenoaks: Wednesday 10 November in SC10.

Tonbridge: Thursday 11 November in C3.

On this day, your child should register with their form tutor and head straight to their allocated computer room, ready to log in at 8.50am. Miss Morris will be running these sessions.

If you do not want your child to take part in this survey, please let me know by emailing me at rnorthcote@wealdgs.org. If you are happy for your child to take part, you do not need to do anything.

The surveys are hosted by Ipsos MORI, a research organisation. Ipsos MORI will store all information securely and keep it confidential.

Many thanks for your co-operation.

Yours sincerely,

Mrs. R. Northcote
Head of PE
