### **Remissions**

According to the Governors' Charging Policy, financial support is available from the school under the following circumstances:

Remission of charges for parents in receipt of:

- Income based Job Seekers Allowance
- Child Tax Credit, provided the parent is not entitled to Working Tax Credit and their income does not exceed £16,010
- Disability Working Allowance
- Support under Part IV of the Immigration and Asylum Act 1999
- Housing benefit
- Old age pension

Will be allowed for the following activities:

1. The full costs of board and lodging on residential activities which take place in school time.
2. The full costs of board and lodging for residential visits which take place outside school time which are covered by the following criteria:
  - The education provided by the visit fulfils any requirements specified in the syllabus for a prescribed public examination.
  - The education provided fulfils statutory duties relating to the National Curriculum imposed by section 10 (ii) of the 1988 Education Act.
  - The education provided fulfils statutory duties relating to Religious Education imposed by Section 10 (i)(b).

The Governing Body will consider, on an individual basis, requests from parents who are not in receipt of the above allowances, for remission of charges in connection with any school activity where financial hardship would result in a pupil being unable to participate in school activities.

### **Voluntary Contributions**

As you will appreciate, our charging and remissions policy is determined by the legislation which covers the financing of educational visits (S457 1996 Act). In this school we seek to provide as many opportunities as possible for the enrichment of the curriculum and there has always been overwhelming support from parents for the many trips, visits and residential experiences.

We therefore operate a system of voluntary contributions for any school trips organised so that contributions made by parents are confidential.

Parents are advised of the actual cost per pupil of each trip and asked to contribute voluntarily a sum equivalent to this cost, or in the case of financial hardship, as much as can be afforded. Where no contribution is forthcoming, a pupil will not be excluded from the activity if it is part of the statutory requirements of the curriculum. Trips which do not receive adequate financial support from parents are cancelled for everyone.

School Voluntary Fund contributions will continue to be voluntary but parents should be aware that this fund supports the large number of clubs, societies and activities which the school provides.

**Without access to this substantial sum of money, the school will be unable to offer the same quality and quantity of extra-curricular activities and facilities currently available.**
