# Friday 20 November 2026

**King's College London Law Lecture Series (LLS)**

Applications for this online programme is now open. The Law Lecture Series is a free, online outreach programme designed to support students interested in studying law and related subjects at university. The programme is open to students in Years 11, 12 and 13.

Over the course of the programme, students will hear from a wide range of speakers who will help them build their understanding of:

- What studying law at university involves
- Different legal careers and pathways
- The realities, opportunities, and challenges of working in the legal sector
- The university application process, including personal statements and interviews

Lectures will be held online on Thursday evenings the first session taking place in early January and running until the end of March. The application deadline is Monday 30 November.

For more details and to apply see here.

**UBS**

UBS has opened five 2027 degree apprenticeships in London. Students earn a salary while gaining a University of Exeter degree with no tuition fees. Applications are reviewed as they come in, so the earlier students apply, the better. For details of these apprenticeships and to apply see here.

**Amazing Apprenticeships**

How to stand out in the apprenticeship application process is a webinar by Amazing Apprenticeships and is taking place on Wednesday 2 December 6.30 – 7.15pm.

When it comes to applying for apprenticeships, it is not just about ticking boxes - it's about showing who you are and what you can bring to your future employer and their organisation. In this webinar you will hear what employers say makes people stand out and share practical ideas on how to stand out for the right reasons.

**Skydance for a Career in Entertainment, Media or Sport**

Love Film, TV, Games or Sport, but not sure what careers exist beyond making them? Discover opportunities in marketing, sales, publicity, HR, business and more, and how your skills could help shape the world of entertainment.

On Tuesday 12 January 2027 6.30 – 7.30pm. Join Skydance, home to one of the entertainment industry's most powerful content engines, for a live one-hour insider session built for students who want a career in entertainment, media or sport.

Skydance's portfolio includes iconic brands such as Warner Bros., Paramount, HBO, TNT Sports, Cartoon Network, Nickelodeon, CNN and Comedy Central. This is your chance to find out what it's really like to start a career there, straight from the people doing it.

- Early Talent pathways (10 mins): a quick guide to apprenticeships, internships and graduate programmes, and which might be right for you
- Meet the interns (30 mins): current interns share what they actually do day to day, in their own words
- Get application-ready (10 mins): practical tips on your CV, applications and LinkedIn profile
- Your questions answered (10 mins): live Q&A, so come ready to ask anything Who it's for: students thinking about their next steps, whether that's an apprenticeship, university or a graduate scheme, and curious about careers in entertainment.

See here to book your place.

**Lloyds Banking Group**

Lloyds Banking Group has opened applications for its full range of apprenticeships starting in September 2027. There are 13 programmes across finance, technology, data, banking, risk and property, in offices across England and Scotland. Several are degree apprenticeships, so students can earn a full degree with no tuition fees while being paid £27,400 a year or more.

These are ideal for Year 13 students who are thinking about alternatives to university, and predicted grades are accepted for most programmes. The first deadlines are from 24 November, and applications can close early.

See here for apprenticeships.

**InvestIN Summer Experiences**

The launch of the 2027 Summer Experience Programme from InvestIN has arrived.

Students age 15-18 can join next summer to gain hands-on industry experience, working with top professionals and exploring real workplaces.

There are 15 careers to choose from and you can join for one or two weeks in July and August. Early bird discount code EARLY15 gives 15% off all programmes.

The programmes do come at quite a cost -.£2290 for one week.

See here for details

**Medic Mentor – virtual work experience in Medicine and Dentistry**

Applications for the free National NHS Virtual Work Experience programme have now opened for 2026-2027.

This programme has helped over 30,000 secondary school students obtain free work experiences last year. Virtual work experiences have been accepted by the Medical Schools and Dental Schools Council as valuable alternatives to in-person shadowing, backed by the Health Education England Discovery report on the impact of virtual work placements.

The programme is brought to you by Birmingham Universities Hospitals Trust in collaboration with Mentorverse and is completely free. Not only is this a reliable alternative to in-person shadowing, but it also plays a significant role in preparing students for their in-person work placements, with structured teaching and opportunities to speak directly with healthcare professionals.

**Engineering Event – National Grid**

There is an online engineering event with National Grid on Monday 23 November 5-6pm.

Discover what engineers really do in electrical engineering and renewable energy.

See here to secure your place.

**Careers in Conservation Webinar Series – Operation Wallacea**

The Careers in Conservation series is designed for anyone wondering how to turn a passion for wildlife into a career. Each webinar opens with a brief presentation; after which students will meet a panel of professionals, hear how they built their careers, and then have the chance to ask them any questions. The sessions are free and held online.

The next session will be focusing on conservation in zoos, aquariums and how practical animal skills can be an asset for finding the role you want in conservation.

The talk will be on Monday 23rd November at 6pm via Youtube Live. See here to register.
