

13 June 2022

Dear parents and carers,

Weald Challenge

Thank you to those of you who were able to attend the Weald Challenge Information Evening. I hope it provided you with all of the information needed for the upcoming Weald Challenge residential trip. For anyone unable to attend the meeting you can access the recording of the presentation [here](#).

You can also see the presentation notes using the following link: [Weald Challenge Parent Information Evening.pptx](#)

As mentioned in the presentation, we are able to support students requiring regular medication that can be self-administered. Please fill out the attached form if your child will require any medication whilst on the trip. This includes asthma pumps, epi-pens and regular medication. Once completed, please email awehrle@wealdgs.org. All medication will need to be clearly labelled with the student name and form group. It must be in its original packaging with the information leaflet provided and the dosage detail enclosed. Students will need to hand this in on the departure day to Mrs Wehrle if they are on Trip 1 (4-6 July) or Mrs Northcote if they are on Trip 2 (6-8 July).

A reminder for students to complete the Microsoft Form that Mr Morgan sent out via email to students regarding choice of an accommodation buddy. This needs to be completed by the end of the week. We cannot guarantee preferences made after this time.

We hope your child is looking forward to the Weald Challenge and that it helps them to build their confidence and increase their resilience as well as creating some memorable moments.

If you have any questions, please do not hesitate to contact me at awehrle@wealdgs.org.

Yours sincerely,

Mrs A Wehrle
Extra-curricular Coordinator
