

16 June 2022

Dear parents and carers,

Exeter University Gender Studies and MFL Lecture

I am pleased to inform you that your child has expressed an interest in attending a taster lecture with Exeter University on the subject of Gender Studies and Modern Foreign Languages. We are delighted to offer this super curricular opportunity to our Year 12 students as it will provide a valuable insight into university style teaching, and provide an enriching experience for students, helping them to make informed choices regarding degree courses.

This will take place from 4 - 5pm on Wednesday 29 June.

We will meet in a classroom and join the Exeter University academics online, and this means students will be visible and audible on camera. This will be hosted through the school's Microsoft Teams platform, communicating with the University's Microsoft Teams platform. If you are happy to provide your consent for your child to be on camera with the university, please do so by email at sbutler@wealdgs.org by 4pm on Friday 24 June.

If you have any questions regarding this super curricular opportunity, please do not hesitate to contact me at sbutler@wealdgs.org.

Yours sincerely,

Ms S. Butler

Teacher of Sociology & EPQ Coordinator
