

Dear Parents and Carers

In preparation for A Level results day on Thursday 13 August 2026, I wanted to write to you with information to support and guide you on the day for your child's next steps. Information relating specifically to examinations will be communicated by the Exams team separately.

Prior to results day, candidates who have applied to attend university in the autumn, will need to log on to UCAS and familiarise themselves with the section 'Clearing and Results Day'. This will ensure that they are aware of the next steps and university admissions process for 2026. This can be found under <https://www.ucas.com/undergraduate/clearing-and-results-day>. Results will be published from 8.00am on UCAS and clearing will be open to students to make a choice from 1.00pm.

Please note that if candidates wish to go into clearing, they will need access to the Internet and a phone to contact institutions directly. We would strongly recommend that candidates contact institutions as early as possible to maximise their options. The Senior Leadership Team as well as the Sixth Form Team will be available to provide in-person support and advice. If candidates require any additional guidance regarding their university choice, they should speak to Mrs Swaffer in person.

For any exams specific enquiries, please follow the information in the Exams letter so that they can respond to your query promptly.

Yours faithfully

**Mrs B Swaffer**  
Director of Sixth Form

Headteacher Mr R V Booth
