Rising Stars Activities – October half term opportunity

Rising Stars Activities are an Ofsted registered children's activity provider and are currently recruiting for their October holiday camp based at Woodlands Primary School in Tonbridge.

The October holiday camp is running from 19 – 30 October 2026. They are looking for Sixth Form students interested in sport, coaching, education, childcare, early years or youth work and previous experience isn't needed and you don't have to be available for the full time.

If you would like more information on this, please email Ms Swanton on sswanton@wealdgs.org and she can forward the Woodlands October 2026 Recruitment Pack. Students can apply through Indeed or by sending a CV and a short cover letter to info@risingstarsactivities.com.

Complete University Guide – League Tables

See [here](#) for the 2027 league tables which rank the best universities in the UK, overall and in 74 subject areas.

Specsavers – Bright Start Scholarship

Every year, talented STEM students explore their options after school or college, often considering careers in medicine, engineering and technology. Yet many are unaware of the opportunities available in optometry, a profession that combines science, technology and patient care.

The Specsavers Bright Stars Scholarship is designed to support exceptional students on their journey into optometry, helping to remove financial barriers while providing valuable professional experience throughout university. They offer £10,000 towards university costs spread over four years.

Unifrog University Fair

On Wednesday 14 October 2026 from 4 – 6.30pm, Unifrog have a virtual university fair.

- Discover new universities and subjects at interactive booths.
- Find out what admissions staff are looking for in personal statements this cycle.
- Consider all aspects of student life to prepare emotionally and financially.

See [here](#) to register and find out more about the event.

University of Sheffield - Online information sessions and Subject Tasters

There is a lot to consider when students are researching and choosing where to study. University of Sheffield information sessions take place online and cover all different aspects of university life to help students as they go through their application journey. This term they will be covering topics such as student life, UCAS, accommodation, and finance & funding.

See [here](#) for online information sessions

Subject taster sessions offer an opportunity to experience a university lecture or seminar, to get a taste of what studying at university is like. The interactive sessions are available for prospective students who are exploring their post-16 options. The autumn schedule is jam packed full of fascinating topics, from the biology of ageing to tracking bumblebees.
