

Updated School Uniform Information

This summer, Simmonds will be providing three ways for you to buy your uniform. Whichever way you choose, if you make your **purchase between Monday 15 June and Wednesday 1 July, you will receive a 10% discount.** Those three ways are:

- **In-store appointment service.** Families may choose to visit our shop in Tunbridge Wells or our Paddock Wood warehouse shop by appointment. To book a slot, call 01892 837202. During appointments we will be following government guidelines and good practice. An appointment will ensure that you receive advice and guidance for buying your uniform, but because the coronavirus can remain on packaging for up to 72 hours, we regret to say that it won't be possible for your child to try on their uniform during the appointment. Instead, your uniform will need to be taken home and tried on there. Any items that need to be exchanged or refunded can be either brought back to the shop or returned to our Paddock Wood warehouse shop.
- **Buy online.** Our new website, launching on 10 June 2020, will contain specific information for the Weald of Kent Grammar School, including a video about how to measure, what you will need to buy and some helpful hints and tips. Delivery to your home, or a place of your choice, is free.
- **Click and Collect.** Use the online service, but for a quicker response select Click and Collect option when you check out. This service is available from either our Paddock Wood warehouse shop or our at our new site in Newnham Court Shopping Village, near junction 7 of the M20. Both sites have convenient free parking.

We are sorry that we will not be meeting as many Weald of Kent new starters as usual but hope that they still feel excited about their new adventure and buying their new uniform. We will, of course, do everything we can to help and our customer service team can be contacted by email: customerservice@simmonds-ltd.com or on 01892 837202.

The website address is: www.simmonds-ltd.com.

Finally, don't forget that the discount is open to all Weald of Kent families and all purchases during the week, however you make them, will automatically receive a 10% discount.

Best Wishes,

Simmonds
