

History A Level

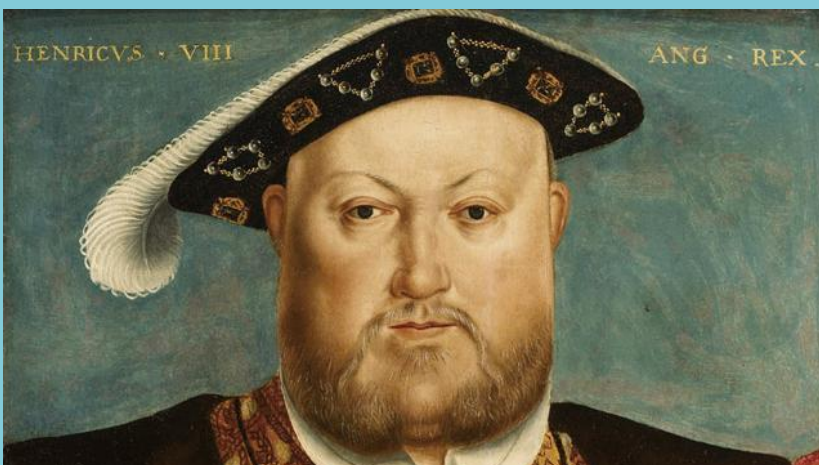

Summer Bridging Work

2019

The A Level History course at Weald of Kent Grammar School has been designed to ensure that you develop your knowledge of British, European and World History. This will support you in becoming a well rounded and accomplished historian.

We follow the AQA. This involves two units and a non examined unit. The NEA consists of a 100 Year study. Currently this is on Tsarism in Russia between 1825 and 1917.

The summer bridging work is on Unit 1C. This is a breadth study on the Tudors.
