Dear parents and carers,

As we have not been able, this year, to offer extra-curricular clubs and activities because of social distancing measures at Weald, we have compiled a booklet (click [here](#) to download) which contains advice, tips, competitions, web links, film/book recommendations and much more to help students broaden their knowledge and reinforce their learning.

If students have any questions about the activities in the booklet, they should contact the relevant Head of Department.

In addition, from January we will hopefully be able to offer (in school) a limited range of clubs in a COVID-secure way and will confirm these with you in due course.

Thank you for your continued support,
