## School Attendance Policy 2020

---

### Introduction

Weald of Kent Grammar School is committed to the academic excellence and personal success of its students. Regular attendance is critical if our students are to be successful and benefit from the opportunities presented to them. High standards of attendance and punctuality are fundamental to a successful and fulfilling school experience. The Trustees, Headteacher and Staff in partnership with parents and students have a duty to promote full attendance, and to reduce absence and its effect on student progress.

### Aims

Our school aims to meet its obligations with regards to school attendance by:

- Promoting high levels of attendance and punctuality.
- reducing absence, including persistent absence.
- Ensuring every pupil has access to full-time education to which they are entitled.
- Acting early to address patterns of absence.

### Legislation and guidance

This policy meets the requirements of the school attendance guidance from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- The Education Act 1996
- The Education Act 2002
- The Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006
- The Education (Pupil Registration) (England) (Amendment) Regulations 2010
- The Education (Pupil Registration) (England) (Amendment) Regulations 2011
- The Education (Pupil Registration) (England) (Amendment) Regulations 2013
- The Education (Pupil Registration) (England) (Amendment) Regulations 2016
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

This policy is linked to the:

- Positive Behaviour Policy.
- SEN and Inclusion Policy.
- Safeguarding Policy.

## **Roles and Responsibilities**

### **Students**

Students are to attend Weald of Kent Grammar School on each of the 190 school days as set out in the school term dates. Students are to register every morning at 8.45am and remain on site until 3.40pm. Students are to arrive punctually to lessons, ready for the published start time. In the event of absence, students are to make every effort to catch up on missed learning.

All students that arrive late (i.e. after 8.45am) must report to Student Services where the reason for lateness is recorded. All students that leave the site during the school day must sign out with Student Services.

### **Parents**

Parents have a legal duty to ensure that their children attend school regularly and arrive on time. Regular attendance is essential to the all-round development of the child and they should be allowed to take full advantage of educational opportunities available to them in order to make good progress in their learning. Poor attendance undermines their educational attainment and progress and, sometimes, puts pupils at risk by encouraging anti-social behaviour.

Parents should note that the school defines regular attendance as at least 96% of the school year to date. So:

- 95% attendance equates to 9 days absence or 45 lessons a year.
- 90% attendance equates to 19 days absence or 95 lessons a year.
- 85% attendance equates to 29 days absence or 145 lessons a year.
- 80% attendance equates to 38 days absence or 190 lessons a year.

So, whilst 90% appears to be a high figure, these levels of absence severely disrupt a child's education and leaves them vulnerable to falling behind.

It is the parents' responsibility to contact the school on the first day their child is absent. This is a safeguarding issue requirement so that all parties know that each child is safe and their whereabouts is known. Parents should regularly update the school and inform the school when their child is returning.

Parents have access to their child's attendance figure on SIMS via the parent app. Attendance figures are included on school reports.

### **The School**

At Weald of Kent Grammar School there is a whole school responsibility and approach for improving school attendance, with specific staff taking individual responsibility.

### **Working together**

The School's guiding principle is to work together with parents, families and pupils to ensure high levels of attendance. The school understands that children fall ill, can be unsettled and that families can experience challenging circumstances which make attendance difficult. We encourage parents, pupils and staff to maintain good communication and seek solutions to difficulties both at school and outside of school that impact on attendance.

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

When students are absent, or likely to be absent, for more than one week, work will be set and marked by staff. Also on return to school, the student will be fully supported. The Head of Year will organise and oversee the support.

In cases where extensive absence is accrued through intermittent absence, work may not be set and marked by staff. Parents and pupils must note that the school wishes to avoid the legitimisation of absence through allowing students to work continually at home. Parents have accepted a place at the school for the student to be educated on site where the child's education is most effectively administered.

### **The Board of Trustees**

The Board of Trustees is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy. There is a trustee group who have specific responsibility for monitoring attendance.

### **The Headteacher**

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to the trustee board. The headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary. The headteacher is responsible for authorising parental requests for term-time absence.

### **Attendance Officer**

It is the responsibility of the Attendance Officer to ensure:

- Attendance and lateness records are up to date.
- If no reason for absence has been provided, parents are contacted on the first day of absence by text, then email and then a phone call.
- Where there has been no communication, absence will be recorded as unauthorised, and further contact made with parents requesting reasons for absence.
- The appropriate attendance code is entered into the register (see Appendix 1).
- Monitors attendance data at the school and individual pupil level.
- Reports concerns about attendance to pastoral or senior school leaders.
- Advises the headteacher when to issue fixed-penalty notices.

### **Head of Year**

The Head of Year will monitor and review attendance of their year group on a weekly basis. In particular, the Head of Year will review Persistent Absence and take action as appropriate to improve attendance. This will include regular meetings with colleagues to discuss action with regards to students whose attendance falls below 96%. This may include the selection of students for attendance letters, attendance plans, detentions for lateness and the organisation of work and support for students who have long term absence. Heads of Year will arrange communication and meetings with parents to discuss attendance and may create attendance plans and set targets for improvement and review.

### **Class teachers and form tutors**

Class teachers and form tutors are responsible for recording attendance using the correct codes at the times required by the school.

Form tutors and teachers are to monitor levels of attendance and punctuality in their classes and raise concerns with the Head of Year.

## School procedures

### Attendance register

By law, Weald of Kent Grammar School is required to keep an attendance register, and all pupils must be placed on this register. The attendance register will be taken at the start of the first session of each school day and once during the second session. Form tutors will complete a register at 8.45am for pupils in all year groups. All class teachers will complete a register at the start of the fourth lesson of the day. Marking the attendance registers twice daily is a legal requirement as set out in Education (Pupil Registration) (England) Regulations 2006. Staff will mark pupils as:

- Present (/),
- Absent (N),
- or late (L), adding a note of minutes of lateness.

Staff may not override attendance codes already inputted by the attendance officer on registers, such as:

- Attending an approved off-site educational activity (B).
- Unable to attend due to exceptional circumstances (C).

Please see Appendix 1 for the full list of National Attendance Codes.

### Procedures for managing attendance and absence

#### Staged Approach for Managing Attendance

96-100% attendance	Expected level of attendance	The Attendance Officer will monitor attendance and notify the Head of Year of any concerns. Parents will be contacted if appropriate.
90-95% attendance	Below expected level of attendance	The School will send attendance letters and arrange meetings with students and parents.
Below 90% attendance	Persistent Absence	The School will arrange specific support for the student and/or family which should include an Attendance Plan.

Where the level of absence has not improved and there are unauthorised absences, the school will make a referral to the KCC Inclusion and Attendance Service using the Digital Front Door. If it is not clear a referral to the Service is appropriate, the school will consult with the Local Authority School Liaison Officer for advice.

The school has a safeguarding duty to investigate any unexplained absences under Section 175 of the Education Act (2002). For cases that require intensive pupil and/or family support, the school may make a referral to Children's Services or consult the Area Safeguarding Team.

#### Lateness

Pupils arriving after the completion of morning registration must enter school by the main entrance and report to Student Services where their name and the reason for lateness will be recorded. The pupil will be marked as late before registration has closed (Code 'L').

The register will close at 9.30am and 1.40pm. Pupils arriving after the register has closed will be marked as late after registration (Code 'U') and this will count as an unauthorised absence.

Late marks will also be recorded on Class Charts. Three Late marks will lead to a lunchtime detention.

Frequent lateness after the register has closed (U) will be discussed with parents and could provide grounds for prosecution or a Penalty Notice.

## **Absence**

The decision to authorise an absence lies with the school, not the parent. Authorisation of absence requires a written note from parents or carers.

All planned absence requires advance written notice from a parent.

In the event of unplanned absence, parents must notify the school on the first day of an unplanned absence and then keep the school regularly updated about when their child will return to school.

The school is not obliged to accept a parent's explanation for absence. If no explanation is received, absences will not be authorised.

## **Absence due to illness**

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness. If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. The school will not ask for medical evidence unnecessarily. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and a parent will be notified of this in advance.

While it is accepted that some absence during the school year may occur due to illness, continuous absence may be deemed excessive and will require further medical evidence in order to enable the school to authorise future absences for this reason. Therefore, absences due to illness that last longer than three consecutive school days will require medical evidence. Failure to produce medical evidence will result in the absence being recorded as unauthorised.

## **Other Absences during term time**

Absence during term time can only be approved in "exceptional circumstances". The following reasons are examples of absence that will **not** be authorised:

- Persistent nonspecific illness e.g. 'poorly/unwell'
- Absence of siblings if one child is ill
- Oversleeping
- Inadequate clothing/uniform
- Confusion over school dates
- Medical/dental appointments of more than half a day without very good reasons
- Child's/family birthday
- Shopping trip
- Family Holidays
- Travel disruption

## **Medical or dental appointments**

Missing registration for a medical or dental appointment is counted as an authorised absence; advance written notice from a parent is required for authorising these absences.

However, we encourage parents to make routine medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary. This should not exceed a half day unless a significant treatment is planned.

## **Applications for Leave of Absence in Term Time**

Parents are to avoid taking holidays during term time as this will not be an authorised absence and can lead to a penalty notice.

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'. The Headteacher may authorise absence in "exceptional circumstances" but this must be requested in advance and agreement to each request is at the discretion of the Headteacher, acting on behalf of the Governing Body (Education (Pupil Registration) (England) Regulations 2006). Each case will be judged on its merits and the Headteacher's decision is final. Once the decision not to authorise leave is taken, it cannot be authorised retrospectively.

The application must be made well in advance and the head teacher must be satisfied that there are truly exceptional circumstances based on the individual facts and circumstances of the case which warrant the leave. Where a leave of absence is granted, the head teacher will determine the number of days a pupil can be away from school. A leave of absence is granted entirely at the head teacher's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes

## **Children Missing Education**

No child should be removed from the school roll without consultation between the Headteacher and the Inclusion and Attendance Service when appropriate.

Where a child is missing from education, Local Authority guidance will be followed, by completing a Child Missing Education referral for the following circumstances:-

- If the whereabouts of the child is unknown and the school has failed to locate him/her.
- The family has notified the school that they are leaving the area but no Common Transfer Form (pupil file) has been requested by another school.

## **Legal sanctions for unauthorised absence**

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

Section 444 of the Education Act 1996 says that parents are guilty of an offence of failing to secure regular attendance at school unless they can prove that the child was absent:

- with leave (the school has given permission)
- due to sickness or any unavoidable cause (the sickness or unavoidable cause must relate to the child, not the parent)
- religious observance
- failure by the Local Authority to provide transport

In law, these are the only acceptable reasons for a child being absent from school.

If the absence is not authorised, the case may be referred to the Inclusion and Attendance Service who may issue a Penalty Notice to each parent for each child taken out of school.

Failure to pay the penalty in full by the end of the 28 day period will result in prosecution by the Local Authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

Persistent unauthorised absence (10% or more of the school year) may result in an AS1 referral to the Local Authority School Liaison Officer for consideration of prosecution. The school will follow procedures prior to referral and parents will be notified in writing.

When a referral is made, the child's Registration Certificate, copies of all letters sent to parents and minutes of any meetings **need to** be attached to the completed AS1 referral form with any other relevant information.

**Local Authority Action may include:**

- Attendance Improvement Meeting
- Home visits
- Liaison with other agencies
- Fast Track to Prosecution

**Penalty Notices Proceedings for Poor Attendance**

Penalty Notices are issued in accordance with Kent County Council's Education Penalty Notices Code of Conduct effective from January 2016 and revised in April 2017.

- A Penalty Notice can only be issued in cases of absence for 10 or more half day sessions (5 school days) without authorisation during any 100 possible school sessions or period of 50 days of schooling – these do not need to be consecutive.
- A Penalty Notice can also be issued where an excluded child is found in a public place during school hours.
- After the appropriate request for a Penalty Notice is received, the KCC Inclusion and Attendance Service will issue a warning letter setting out 15 school days during which no unauthorised absence is to be recorded
- If unauthorised absence is recorded during the 15 day period a Penalty Notice will be issued (one per parent per child)

**Exceptional circumstances could include:**

- Service personnel returning from a tour of duty abroad where it is evidenced the parent will not be in receipt of any leave in the near future that coincides with school holidays.
- Where an absence from school is recommended by a health professional as part of a parent's or child's rehabilitation from a medical or emotional issue.
- The death or terminal illness of a person close to the family.
- To attend a wedding or funeral of a person close to the family.
- Any strong personal reasons why a family might need to take a child away from school for a short break.

Any examples provided are illustrative rather than exhaustive. It is acceptable to take a pupil's previous record of attendance into account when the school is making decisions. The fundamental principles for defining 'exceptional' are rare, significant, unavoidable and short. And by 'unavoidable' it implies that an event could not reasonably be scheduled at another time. It is important to note that Headteachers can agree the absence of a child in exceptional circumstances and this discretion can be used also to determine the length of the authorised absence.

Where Penalty Notices are imposed, the regulations state that the penalty will be £120 to be paid within 28 days, reduced to £60 if paid within 21 days. Penalty Notices are issued to each parent of each child. Failure to pay the penalty in full by the end of the 28 day period will result in prosecution by the Local Authority.

### Penalty Notice Proceedings for Lateness

Weald of Kent Grammar School reserves the legal right to issue penalty notices for lateness. Penalty Notices are issued in accordance with Kent County Council's Education Penalty Notices Code of Conduct effective from January 2016, as revised in April 2017, when:

- 10 incidents of late arrival after the registers have closed during any possible 100 school sessions leads to a Penalty Notice Warning Letter.
- The Penalty Notice Warning Letter sets out 15 school days during which no unauthorised absence is to be recorded
- If unauthorised absence is recorded during the 15 day period, a Penalty Notice(s) will be issued (one per parent per child)
- Where a Penalty Notice is not paid within 28 days of issue the Local Authority will instigate court proceedings

**Re: Request for an Authorised Absence –**

Thank you for your letter dated <DATED> regarding an authorised absence request for <NAME> from <DATE> in order to <REASON>.

I am able to confirm that Mrs Bone has agreed that the absence for the above period may be recorded as authorised due to the circumstances and the register will be updated accordingly.

Please note that although the absence has been authorised it is on the understanding that <NAME> will liaise with teachers in advance of the absence in order to ensure all coursework and homework is completed and submitted on time.

Yours sincerely

**Re: Request for an Authorised Absence – <NAME>**

Thank you for your email dated <DATE> regarding an authorised absence request for <NAME> for <DATE> in order to attend

I am able to confirm that Mrs Bone has agreed that the absence for the above period may be recorded as authorised due to the circumstances and the register will be updated accordingly.

Please note that although the absence has been authorised it will still affect <NAME> attendance rate, we would therefore request that you are mindful when considering absences in the future as at Weald of Kent we expect an attendance rate of at least 95%.

Yours sincerely

Dear <PARENTAL SALUTATION>

**Re: School Attendance - <Forename> <Surname>**

According to our data <FORENAME>'S current attendance stands at <att>% as of <DATE>. As you know, it is our expectation that all students aim for 100% attendance and that no one falls below 95%. I am sure you appreciate the negative impact that lower attendance can have on a student's ability to reach their full potential at school.

We understand that, at this early stage of the year, only a few days can have a huge impact on the overall percentage attendance figure and I am grateful that on each occasion you have notified the school with valid reasons for absence. I am sure you are keen to ensure that <FORENAME>'s attendance in school improves, so that <HE/SHE> does not miss out on too much teaching time and find the catch-up of missed work too daunting.

If I can help support in any way or you wish to speak to the Attendance Officer, School Nurse or Inclusion Manager, please do not hesitate to contact us.

Yours sincerely

**Attendance Record – <FORENAME> <SURNAME>**

Dear

I am writing to express my concern over the number of occasions that <NAME> has been absent from school. According to my records, <NAME>'s current attendance rate is <Att>%. As you know, it is our expectation that all students aim for 100% attendance and that no one falls below 95%.

A student's absence can seriously disrupt their learning, not only do they miss out on teaching while they are away but they are less prepared for future lessons when they return.

I am sure you share my concern and would wish to work with the school to improve <Name>'s attendance. If we can help in any way, perhaps via our School Nurse or Inclusion Manager, please do not hesitate to contact us.

Yours sincerely

**Attendance Record – Forename Surname**

Dear Parental Salutation

Despite previous correspondence, I note with concern that there has been no significant improvement in Forename’s attendance. Forename’s attendance at school is currently ATT%, which will have an impact on their education which we cannot ignore.

I must advise you that further absences from school as a result of illness may require medical evidence (e.g. copy of a prescription, Doctor’s/Dental appointment card). If medical evidence is not provided when required, further absences will be marked as unauthorised.

I am sure you would wish to work with the school to improve Forename’s attendance and if we can help in any way, perhaps via our School Nurse or School Inclusion Manager, please do not hesitate to contact us.

Yours sincerely

Dear

**Re: Request for an Authorised Absence During Term Time –**

Thank you for your letter dated <DATE> requesting permission for <NAME> to take an authorised absence for the period <DATE> to <DATE>. Unfortunately, whilst we understand the reason behind your application we cannot formally support the absence.

From 1 September 2013 the Department for Education has amended the Education (Pupil Registration) (England) Regulations 2006 removing the Headteacher's ability to authorise leave of absence for a family holiday. Requests for holidays in term-time will no longer be authorised. The Headteacher may only authorise absence (leave) in "exceptional circumstances" but this must be requested in advance and agreement to each request is at the discretion of the Headteacher, acting on behalf of the Governing Body.

An "exceptional circumstance" would, in my opinion, have to be regarded as an unavoidable cause. The High Court has defined this as a one-off emergency situation which would prevent the child from attending school. A family holiday, which may be justified, could not be considered to be "unavoidable".

I must advise you that if you do take your child out of school for this time the Attendance Service may issue a penalty notice of £120 to each parent for each child, reduced to £60 if paid within 21 days. If the penalty is not paid within the time scale this may result in prosecution by The Attendance Service.

At Weald of Kent we consider attendance and these legal powers very important, this is why we are bringing this to your attention. A student's absence can seriously disrupt their learning, not only do they miss out on teaching while they are away but they are less prepared for future lessons when they return, and this will impact on future results.

Thank you for your continuing support.

Yours sincerely

Thank you for your email dated <DATE> requesting permission for <NAME> to take an authorised absence for <DATE> in order to <REASON>

Unfortunately, whilst we understand the reason behind your application and also that you have given the matter considerable thought we cannot formally support the absence. New Department for Education guidelines have significantly reduced our powers in this respect.

We appreciate you advising us of your plans and regret that on this occasion this may not be the outcome you had hoped for.

**Attendance Record - <NAME>**

Dear

Further to my previous letter regarding <NAME>'s attendance at school I am pleased to report that <NAME>'s attendance has made an improvement and is currently <NUMBER>%.

Whilst this is really encouraging, I would like to advise you that <NAME>'s attendance at school will continue to be closely monitored. It is our expectation that all students aim for 100% attendance and that no one falls below 95%.

I understand that some absence may be unavoidable, however, I would ask that you continue to consider your child's attendance record when deciding whether any future absence is strictly necessary.

If I can help in any way to improve your child's attendance, perhaps via our School Nurse or Inclusion Manager, please do not hesitate to contact me.

Yours sincerely

### Kent School Referral Pathway – Pupil Attendance
