Dear parents and carers,

Information for Year 13 Students

UCAS Offers

Once students have heard back from all of the institutions that they applied to and in order to secure the university offers that they wish to hold, it is essential that they accept a conditional firm offer and a conditional insurance offer on UCAS Track by the deadline of 10 June 2021.

If students need any advice or support, they should come to the Sixth Form Office. Do bear in mind that the conditional insurance offer must be lower than the conditional firm offer in order for it to be a viable back up plan.

- **CF – Conditional Firm** The university you definitely want to attend
- **CI – Conditional Insurance** A back up choice if you do not get into your first choice

Student Finance

Applications are now open for students to apply for finance for their university courses. In order to receive finance in time for the beginning of their course, the application should be completed by 21 May 2021. Even if the final choice of university has not been fully decided yet, students should still enter a choice and then it can be changed at a later date. Full details of the process can be found at <https://studentfinance.campaign.gov.uk/>

Thank you for your ongoing support.

Yours sincerely,

Mrs B Swaffer
Head of Sixth Form
