Dear parents and carers,

Sports Leadership Programme

We are pleased to be able to offer students the opportunity to take part in the Sports Leadership Programme through Kent School Games. The aim of the programme is to develop their leadership skills through sport.

Should your child be interested, we are confident that the programme will enable them to develop their:

- ability to communicate with others
- understanding of different types of physical activity
- self-esteem and confidence in your own ability
- ability to work with others as part of a team
- skills needed to lead and improve your own personal development
- understanding of the importance of overall health and wellbeing
